*"New beginnings are in order, and
you are bound to feel some level of
excitement as new chances come
your way."*

-Oscar Auliq-Ice

This 2023, let Qazi Law help
you begin a brighter future
for your loved ones by
securing your very own
estate plan, will, or trust!

DID YOU KNOW?

**THE YEAR 2023 STARTED
WITH AN INCREASE OF
\$12,920,000 IN THE
FEDERAL GIFT AND
ESTATE TAX EXCLUSION!**

WOW!

A man is lying on his back on a light-colored, textured rug. A baby is crawling over his legs, looking down at him with a smile. The background is blurred, showing a couch and some festive lights.

***What does this mean
for everyone?***

**This will create
additional gifting
opportunities for
those who had
previously used
their full lifetime
exclusion amounts!**

*Have your estate
plan reviewed, and
have it updated this
2023 according
to the important
events in your life!*

Whether your plan needs changes or not, it is best to review your estate plan with your attorney to make sure it is updated according to your current life situation, estate preferences, and the law.
